### This workshop will include:

- Two 90-min small group zoom sessions with RNBC's Educational Specialist. The student-focused sessions will be highly interactive and offer students a chance to ask questions, hear from other students and explore new Executive Function Strategies.
- Two additional private tutoring Zoom sessions with instructors throughout the school year.
- Access to the RNBC Executive Functions Video Series for a year.
- Useful Executive Function strategies to help students find success in the classroom and with e-learning.
- Lessons from the RNBC Executive Functions Curriculum including material and time management, study strategies, initiating tasks and setting goals.
- Tips on task analysis and developing a study plan with an emphasis on long term projects.
- Various study strategies including test preparation methods and note-taking options.
