

RUSH NEUROBEHAVIORAL CENTER

Wednesday Parent Support Series

Free Educational Presentations for Parents of Children Facing Neurobehavioral Challenges

Next Presentation:

Understanding and Managing Anxiety in Children and Adolescents
by Andrea Victor, PhD

Help Your Child Manage Anxiety

Is your child overly fearful? Does your child worry excessively about everyday activities? Dr. Andrea Victor will discuss strategies parents can use to comfort a child who suffers from anxiety. Dr. Victor is a Licensed Clinical Psychologist on staff at the Rush NeuroBehavioral Center and Assistant Professor of Pediatrics and Behavioral Sciences at Rush University Medical Center.

Date & Time:

October 10, 2012 | 6:30-8:30pm

Location:

Rush NeuroBehavioral Center
4711 Golf Rd, Suite 1100
Skokie, IL 60076

What is the Parent Support Series?

Our very own RNBC professionals will provide practical advice for supporting any child experiencing social, emotional and learning difficulties regardless of diagnosis. Parents, caregivers, teachers and the general public are welcome to attend these free educational seminars.

RSVP encouraged. Please call 847-933-9339 or email rnbc@rnbc.org for more information.
