Nov. 14-17th, 2022

Student Workshop: 11/14-11/16

4:00pm - 5:30pm (CST)

Parent Workshop: 11/17

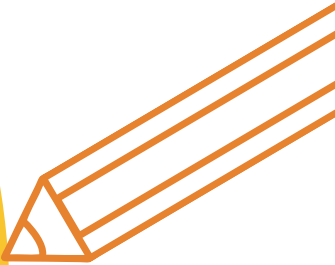

4:00pm - 5:30pm

The EF Family Workshop will give Middle and High School students the skills they need to succeed in school and provide parents with specific strategies to help their children build better executive function skills!

This workshop, led by experienced RNBC EF Coaches, includes three 90-minute virtual sessions for students focusing on **Organization, Time Management, Goal Setting, and Study Strategies**, all essential skills for school success.

Following the 3-day student sessions parents, and caregivers will participate in a 90-minute virtual session with neuroscience-based insight into the "Teen Brain" and specific strategies to help their children develop strong executive function skills.
