

RNBC WORKSHOP

# Executive Functions Coaching: Tier-3 Strategies for Targeted Instruction

If you work with students identified as needing Tier-3 support in Executive Functions, this workshop is perfect for you! This workshop explains a field-tested approach to providing individualized EF support to students outside the classroom. Join us for this virtual workshop and help your students develop better Executive Function skills as they find the organizational, time management, and study strategies that work best for them!

## SEPT 24, 2024

9:00am - 10:30am (CST)

### WORKSHOP HIGHLIGHTS:

- User friendly EF Strategies
- Effective coaching techniques
- Resources to use with students
